

SFBAC University of Scouting Degree Program Guidelines

The University of Scouting Degree Program is provides an informal program of advancement in an atmosphere of fellowship and fun. The intent is for you to be able to track the progress of your supplemental training and to reward yourselves for your accomplishments. The incentive is not only for you to carry on with your training, but to inspire you to return each year and share the wealth of your experience with all of us, as you continue on your own Scouting Trail.

You need not complete a degree to participate fully in the University of Scouting, but if you are interested, here are some important guidelines:

- 1. The UoS Degree Program is open to all registered Scouts and Scouters, ages 14 and older, who have completed the basic training for their position. Valid Youth Protection Training certification for the appropriate program and age level is required for all degrees.**
- 2. Those who intend to pursue a degree must fill out their Degree Program Applications and submit them to the UoS Registration Desk by 1:00 p.m. on the day of the event, in order to receive their certificates and appropriate patches at the closing ceremony.**
- 3. Late applications will be processed as time and materials permit, but they may be lost if not submitted promptly.**
- 4. University transcripts are not maintained by the SFBAC event volunteers. It is up to all students to track their own participation in UoS, and the event staff cannot promise to help recreate lost records should that distributed paperwork be misplaced.**
- 5. Each Degree builds on that which came before, so the Masters, for example, requires completion of the Bachelor degree in order to apply. SFBAC UoS staff makes no commitment to accept degrees from other councils as prerequisites to any degree in this program.**
- 6. The only degrees open to youth under the age of 18 are Associate and Bachelor; the Doctorate is available only to Adult Scouters 21 and over.**
- 7. Finally, if this is not fun, then you are not doing it correctly: Stop doing this immediately, if it is not fun!**

SFBAC University of Scouting Degree Program Application

*Degree application must be received **NO LATER than 1:00 p.m.**
to receive your certificate and corresponding patch during the closing ceremony.*
