

Mission Peak November District Operating Committee Minutes

Each month the Mission Peak District Committee meets on the second Tuesday at 7:00pm at the LDS Church at 810 Walnut in Fremont. Following the meeting we will be releasing the minutes for all the Scouts and Scouters in the District to see. If you would like to join the committee or come see what is discussed please join us!

1. **Thank you** to everyone who has supported Friends of Scouting this year! So far we are behind last year significantly. Please reach out to the families in your units who have not yet contributed and ask them to do so. Every Little Bit Helps! There will be a phone-a-thon on May 26 to reach out to families who haven't participated yet.
2. **Camporee!** Was a success despite the rain and the Muck. We had 8 Troops participate and over 100 boys! Fun was had by all.
3. Merit Badge Extravaganza was held at the Gatewood LDS Building on March 9. Over 80 boys came to work on their Merit Badges. The next one will be on October 10!
- 4 Getting boys to a summer camp activity should be each one of our goals this spring. When you hold your Spring Recruitment drives, make sure the parents know about Tiger Cub Safari (May 1-3 or May 16-18) Day Camp (July 13-17) Or Webelos Adventure Camp (Aug 3-8 or 10-15). **Special Incentive: for each new den of at least 6 boys (all boys must be the same grade) the boys will get free handbooks and the new den leader will be given free training. Dens formed between March 1 and June 1 are eligible.**
5. There will not be a District Operating Committee Meeting or Roundtables in June or July. **Our next Roundtable will be Thursday August 13th. We will be kicking off Fall Recruiting. Make sure to have a representative from your unit there!**
6. **On Saturday May 9, 2009 Former Fremont City Council member Steve Cho was formally introduced as the Mission Peak District Chairman.** Steve recently attended ACORN and has a lot of enthusiasm in helping our movement grow in the Tri-Cities. With his vision and community relationships, we are very fortunate to have him usher us into the second century of Scouting!
7. Please check the District Website regularly for updates and any of the forms for items mentioned in these minutes.

Thank you for your Support!

Steve Cho
