## EVERY YOUTH DESERVES A TRAINED LEADER !

### THIS IS SCOUTING

is the initial training for all adults serving youth in the Boy Scouts of America.

This course presents an overview of Scouting, including the organization's mission, aims, and methods. It also provides new leaders with a look at the resources available to them through the BSA and a clear understanding of Scouting's expectations of its adult leadership.

### YOUTH PROTECTION

Help keep Scouting Safe!

Our first job in Scouting must be to protect our youth from injury and abuse. Scouting must be a safe haven for everyone. Anyone who works with young people needs to know the facts and responsibilities of Youth Protection.

### CUB SCOUT LEADER SPECIFIC

Once a volunteer has gained a solid overview of the BSA's values-based program through New Leader Essentials, he/she can begin training for a specific Scouting position through Leader Specific training.

This course provides the specialized knowledge a new leader needs to assume a specific leadership role.

Cub Scout Leader Specific Training has been developed for the following positions and their assistants:

1. Tiger Cub Den Leaders
2. Cub Scout Den Leaders
3. Webelos Den Leaders
4. Cubmasters
5. Pack Committee members

⇒ **Thursday, October 8, 2009**
